Filed: May 7, 2001
By: Mark W. Ferry
For: Kick-Boxing Bag

Examiner: J.W. Donnelly
Art Unit: 3764

Sir:

With regard to the Office Action mailed December 24, 2002, please consider the following:

Remarks/Arguments

The Examiner has deemed the Declaration to be defective because it does not identify the mailing or post office address of the inventor. For expediency, applicant's attorney has elected to execute and submit a Substitute Declaration clearly identifying the residence, mailing and post office address of the inventor/applicant, Mark W. Ferry.

Claims 1-6 have been rejected as being unpatentable over the teaching of the Lobur reference in view of figure 3 in the Kuo reference. More specifically, the Examiner espouses the opinion that Lobur discloses an exercise bag comprising an enclosure having a bottom, a removable top, curving sides and a water-tight container suspended from strapped loops.
